

Air Fly Pro

With Blue Pill Inside

For those who require the very best, there is no way around the Air Fly Pro.

It comes with an impressive amount of four-way buttons, OLED displays, PTZ control, professional T-bar transitions and therefore provides you with the ultimate freedom.

SKAARHOJ Universal Controllers supports more than 120 different devices, and counting! Check out our website's "Device Core" section, to see what can be controlled at <https://devices.skaarhoj.com/>. The flexible User Configuration makes it possible to assign and add the functionality you need from the controller. All controllers are IP-based, and can have Remote Control with PoE. All SKAARHOJ products are designed and built in Denmark.
