

Color Fly

With Blue Pill Inside

Color Fly is your uncompromising multi camera remote control bringing you innovative iris control with motorized faders.

You get the tactile position feedback of the classic iris joystick while easily managing 4, 8 or 12 or more cameras from the same compact panel.

SKAARHOJ Universal Controllers supports more than 120 different devices, and counting! Check out our website's "Device Core" section, to see what can be controlled at <https://www.skaarhoj.com/support/device-cores>. The flexible User Configuration makes it possible to assign and add the functionality you need from the controller. All controllers are IP-based, and can have Remote Control with PoE. All SKAARHOJ products are designed and built in Denmark.
