

PTZ Wiz

The PTZ Wiz is a super compact PoE powered VISCA-over-IP controller that integrates control of video switchers like ATEM, vMix or any other SKAARHOJ supported live switcher system. It has a perfect grip and high quality knobs for your comfort.

SKAARHOJ Universal Controllers supports more than 120 different devices, and counting! Check out our website's "Device Core" section, to see what can be controlled at <https://www.skaarhoj.com/support/device-cores>. The flexible User Configuration makes it possible to assign and add the functionality you need from the controller. All controllers are IP-based, and can have Remote Control with PoE. All SKAARHOJ products are designed and built in Denmark.

Features

- Universal control of multiple 3rd party devices
- Flexible user configuration
- IP-based remote control, can be powered with PoE
- Modular multi-surface system
- Multi-function keys for presets, camera selection and live switching.
