# RAMP SLOPE

Easily complete your ramp with these convenient, compact ramp attachments. Their 50 cm width makes them compatible with any stage deck size. Thanks to the smart hooking system, attaching them to a stage deck is quick and straightforward. They can also be quickly linked to each other.

## KEY FEATURES

### **Anti-slip**

Rubber feet and the tread plate aluminium prevent accidental slipping

### **Compact design**

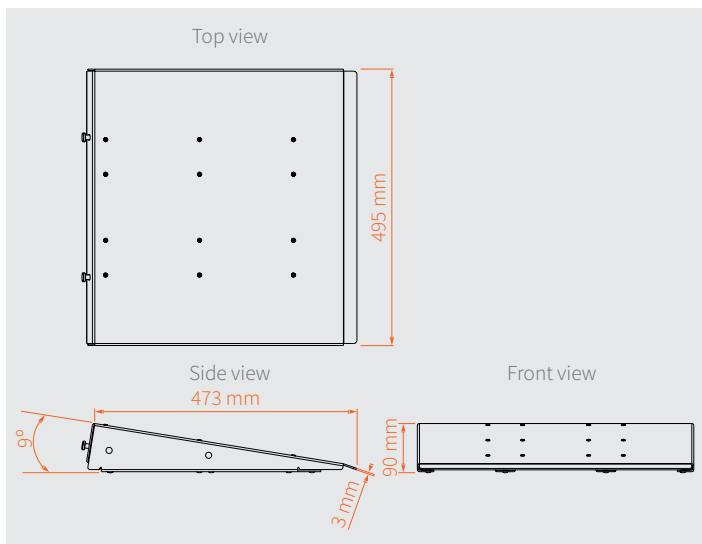

Small and lightweight, these Ramp slopes are easy to transport and store

### **Quick assembly**

Smart hooking system allows simple and easy assembly to decks in minutes.
